To Whom it May Concern:

I have had the pleasure of working with Tami Smith and her daughter Natalie over the past 16 months in eight Cabaret Fundraisers.

These Cabarets were fundraisers for various charity groups, including Yellowstone Women's Recovery home, Family Support Network, Orange County Breast-feeding Coalition and WAVE (Widows Against Violence). Tami generously volunteered her time, talent and energy to these events, making them a grand successes for all of the charities.

As mistress of ceremonies, Tami made the shows unforgettable. Whether as a nitpicking spinster, a disgruntled ex-wife or a self-aggrandized ladies man, Tami's characters became a trademark of these shows, with her humor, energy and fun. She also brought back many many audience members!

Tami is a professional and original performer, full of ideas and generosity. I felt very privileged to have the opportunity to work with Tami and her daughter Natalie. I would highly recommend Tami for any event requiring originality, humor and fun. She will be greatly missed!

Sincerely,

Jennifer Dempsey, Scarlet Sisters Circus
